

## ISCC'07 Technical Program at a Glance

Sunday, July 1, 2007

8:30 -	<b>Conference Registration</b> at Hotel Melia Ria			
9:30 - 12:30	<b>Tutorial 1: Interactive Multimedia Networking.</b> <i>Mario Baldi, Politecnico di Torino, Italy.</i>	<b>Tutorial 2: Communication Protocols in Wireless Sensor Networks.</b> <i>Torsten Braun, University Bern, Switzerland</i>	<b>Tutorial 3: Recent Advances and Challenges in Computer Architectures And Inter- Processor Communications.</b> <i>Reza Peyrovian, AT&amp;T labs, Stevens Institute of technology, Department of computer Science, US</i>	<b>Second Workshop on Multimedia Applications over Wireless Networks (MediaWin 2007)</b>
14:30 - 17:30	<b>Tutorial 4: Multimedia Conferencing in Mobile Ad Hoc Networks: Challenges and Early Approaches.</b> <i>Roch H. Glitho, LM Ericsson and Concordia University, Canada.</i>	<b>Tutorial 5: Cellular Planning for Interoperability between WiMAX and Wi-Fi Networks.</b> <i>Fernando velez, University of Beira Interior, Portugal.</i>	<b>Tutorial 6: Wireless and Wireline Security management.</b> <i>Shervin Erfani, University of Windsor, Canada.</i>	
19:30 -	Welcome Reception			

Monday, July 2, 2007

8:30 -	<b>Conference Registration</b> at Hotel Melia Ria			
8:30 - 9:00	<b>Welcome Address From General Chairs and PC Chairs</b>			
9:00 - 10:30	<b>PLENARY SESSION – Keith Cambron, President and CEO, AT&amp;T Labs</b>			
10:30 - 11:00	<b>Coffee Break</b>			
	Room 1	Room 2	Room 3	Room 4
11:00 - 12:45	Session 1: Wireless, Cellular, and Mobile Comm. I	Session 2: Optical Networking I	Session 3: Security I	Session 4: High Performance Net. & Protocols
12:45 - 14:15	<b>Lunch</b>			
14:15 - 16:00	Session 5: Wireless, Cellular, and Mobile Comm. II	Session 6: Mobile Adhoc Networks	Session 7: Management of Telecom Services	Session 8: Bioinformatics
16:00 - 16:30	<b>Coffee Break</b>			
16:30 - 18:00	Session 9: Sensor Networks I	Session 10: Handoff and Mobility	Session 11: Web Services	Session 12: E-commerce and E- government
18:00 - 19:00	Organizing Committee meetings for ISCC 2008 and ISCC 2009			

**Tuesday, July 3, 2007**

8:30 - 9:00	Registration			
9:00 - 9:45	<b>PLENARY SESSION – Hamid Aghvami</b> , Professor, King's College London & Director of Center for Telecommunications Research			
9:45 - 10:30	<b>PLENARY SESSION – Adam T. Drobot</b> , President Advanced Technology Solutions, and CTO Telcordia Technologies			
10:30 - 11:00	Coffee Break			
	Room 1	Room 2	Room 3	Room 4
11:00 - 12:45	Session 13: Signal Proc, Coding and Comm. Theory	Session 14: Routing	Session 15: Security II	Session 16: Pattern Recognition and Classification
12:45 - 14:15	Lunch			
14:15 - 16:00	Session 17: Wireless, Cellular, and Mobile Comm. III	Session 18: QoS	Session 19: Mobile and Adaptive Services	Session 20: Ethernet
16:00 - 16:30	Coffee Break			
16:30 - 18:00	Session 21: Sensor Networks II	Session 22: Network design, Opt, & Manag. I	Session 23: P2P I	Session 24: Parallel Processing
18:00 - 19:00	Steering Committee and Advisor Council meetings			
20:30 - 23:30	Gala Dinner			

**Wednesday, July 4, 2007**

8:30 - 9:00	Registration			
9:00 - 9:45	PLENARY SESSION – <b>Heinrich J. Stüttgen</b> , General Manager, NEC Europe, Heidelberg, Germany			
9:45 - 10:30	PLENARY SESSION – <b>João Picoito</b> , General Manager, Siemens Portugal			
10:30 - 11:00	Coffee Break			
	Room 1	Room 2	Room 3	Room 4
11:00 - 12:45	Session 25: Digital Satellite Communications	Session 26: Optical Network II	Session 27: Security III	Session 28: Packet Processing
12:45 - 14:15	Lunch			
14:15 - 16:00	Session 29: Wireless, Cellular, Mobile Comm. IV	Session 30: MPLS	Session 31: Distributed Systems Arc. & Management	Session 32: Data Mining & Know ledge Base Apps
16:00 - 16:30	Coffee Break			
16:30 - 18:00	Session 33: Sensor Networks III	Session 34: Network Design Optimization & Manag. II	Session 35: P2P II	Session 36: Modelling and Simulation
18:00 - 18:30	Closing plenary and awards
